Glass display cases

- Can be made to virtually any custom size
- Very high grade finish
- Variable thickness clear glass
- FEP polished edges
- Silicone bumper feet
- UV glued (super strong and neat)
- Standard timber bases, with full glass bases optional
 - Can be stacked to make multiple displays (see photo below)
- Better resistance to scratching than acrylic display products, will look good for years (like our convex glass, it will not scratch when cleaning dust off the surface !)
- Support columns for display of all types of sports balls
 - Flower spikes for full bouquets standing upright
- Other mounting options include glass stops and rests that can be placed to suit the object/s concerned

Top case 300mm x 300mm x 140mm high

Lakers basketball team cap

Bottom case 300mm x 300mm x 300mm high

*Basketball signed all over by the
Australian Womens' Sydney 2000
Olympic Gold Medal team*

(Early model shown with acrylic support ring)

**Very suitable for sporting & general memorabilia,
and for flower display.**

Our website has some good photo examples of these and other convex glass products in use, please feel free to take a look at our website at www.tudorglass.com.au . . .

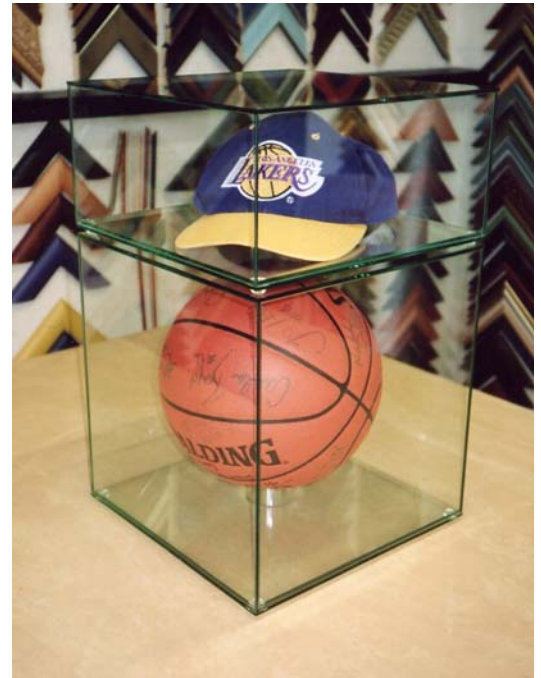

Please contact me directly for info / prices on sizes, and your ideas for use.
